Session Fees

Portrait Sessions require time & talent for which a fee is charged. Session fees do not apply toward your portrait order. Final Session Fee is based on the number of requested studies and required time.

Session Fee... \$50.00 + \$15 each additional person

Additional Study/Groups... \$15 advance payment per person toward the portrait order of that study/grouping

Since your session charge purchases studio time which cannot be re-booked on short notice, your reservation fee, session charge and advanced pre-payments are refundable only if your sitting is cancelled with at least a 72 hour notice.
